2004 MRS FALL MEETING

HYNES CONVENTION CENTER & SHERATON BOSTON HOTEL
BOSTON, MA • NOVEMBER 29 – DECEMBER 3

Graduate Student Awards

[Criteria for selection](#) | [Gold Award Winners](#) | [Silver Award Winners](#)

The Materials Research Society presented Gold and Silver Awards for graduate students conducting research on a topic that was addressed in the [2004 Fall Meeting symposia](#).

All finalists received a Gold or Silver Award, a complimentary meeting registration, and a one-year MRS student membership commencing January 1, 2005. The awards were presented during the week of the meeting at the Award Ceremony. The award prizes consist of \$400 and a presentation plaque for the Gold Awards and \$200 and a certificate for the Silver Awards.

Criteria for selection were:

1. Graduate standing in a recognized academic program in materials science, metallurgy, ceramics, or polymers; physics or chemistry; geology or mineral science; electrical, civil, mechanical, mining, or nuclear engineering; or other materials-related field
2. Participation in the 2004 MRS Fall Meeting as an attendee and author or co-author of a symposium paper
3. Outstanding performance in the conduct of this project and promise for future substantial achievement in materials research as judged by the faculty advisor
4. Significant and timely research results
