

Congratulations!

Posted on Thursday 8 March by [Jane Moorman](#)

Felice Torrisi and his team were judged worthy winners of this year's competition, which attracted six excellent entries.

The prize, of £1,000 plus on-going mentoring, was judged by four Pembroke alumni, and donated by Richard Parmee, and alumnus and William Pitt Fellow. All entrants are able to benefit from further help and advice from the judges and Richard.

The winning team are supervised by Professor Andrea Ferrari.
